## 2021 Membership Packages

Monoosnock Country Club offers a wealth of membership packages to meet the expectations of a variety of golfers. Unlimited memberships, daily memberships, monthly memberships, weekday and weekend memberships, are available at a great value. Our intent is to match a golf package to the unique golfing lifestyles of our valued customers.

We are a beautiful nine-hole golf course that is perfect for the member wanting to get in a quick nine holes in under two hours, or we have multiple tee boxes to create a challenging 18 hole golfing experience. Whether you walk or ride, like to play 9 holes or 18, we are confident that we can find a membership package that meets your needs.

To complement our historic golf course, we offer club storage, league play, tournament play, grass tee driving range, two practice putting greens, a 19<sup>th</sup> Hole Grille with deck and outside seating, a special events function hall, and a welcoming culture of camaraderie that makes MCC a special experience for all.

As a semi-private golf club, we welcome public play on Monday through Thursday, before later afternoon leagues, all day on Friday, and after 11:30am on weekends, including some great daily specials. MCC also welcomes corporate or private 9 hole or 18 hole outings that can meet the expectations of any outside group.
